

Social Story for Visiting The Noguchi Museum

noguchi

Isamu Noguchi was
an artist.

noguchi

He made a
museum to
show his art.

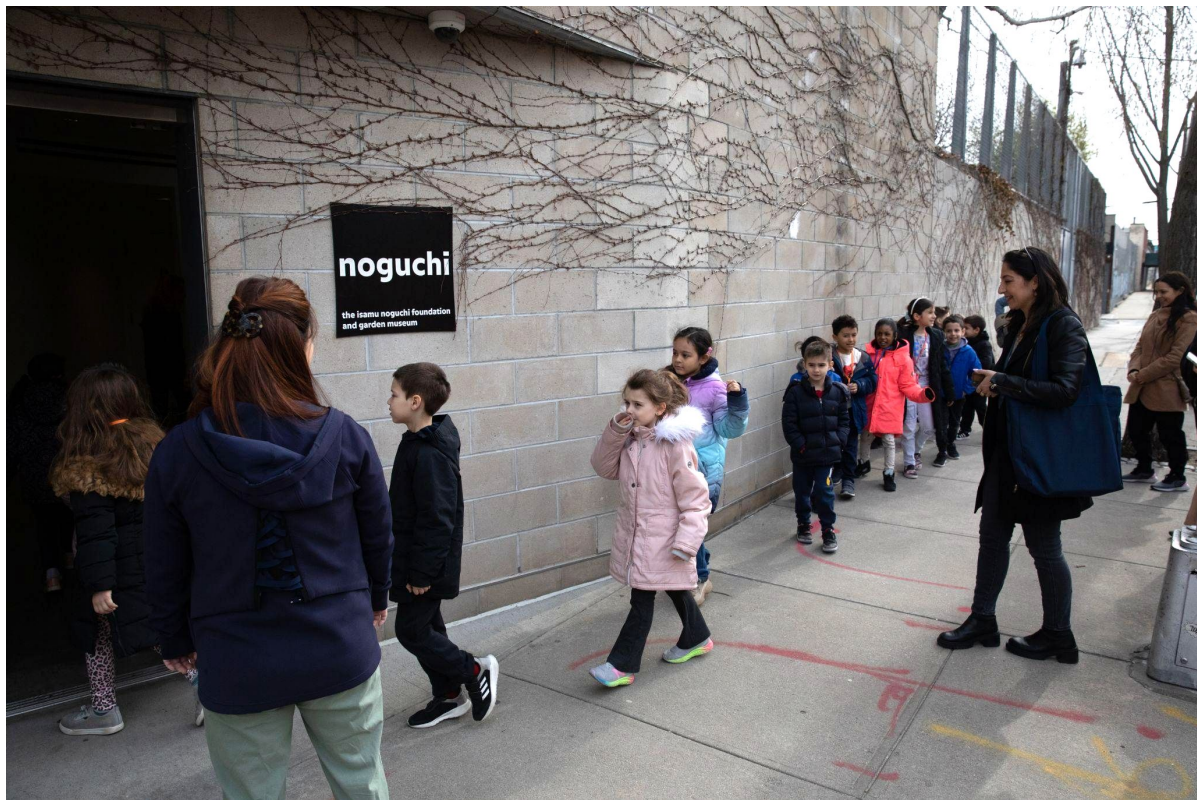

It is called The
Noguchi Museum.

noguchi

I will visit The
Noguchi Museum!

Here is what the
museum looks like.
I will come in
through the front
door.

noguchi

If the weather is nice, I will walk through the Museum's outdoor sculpture garden.

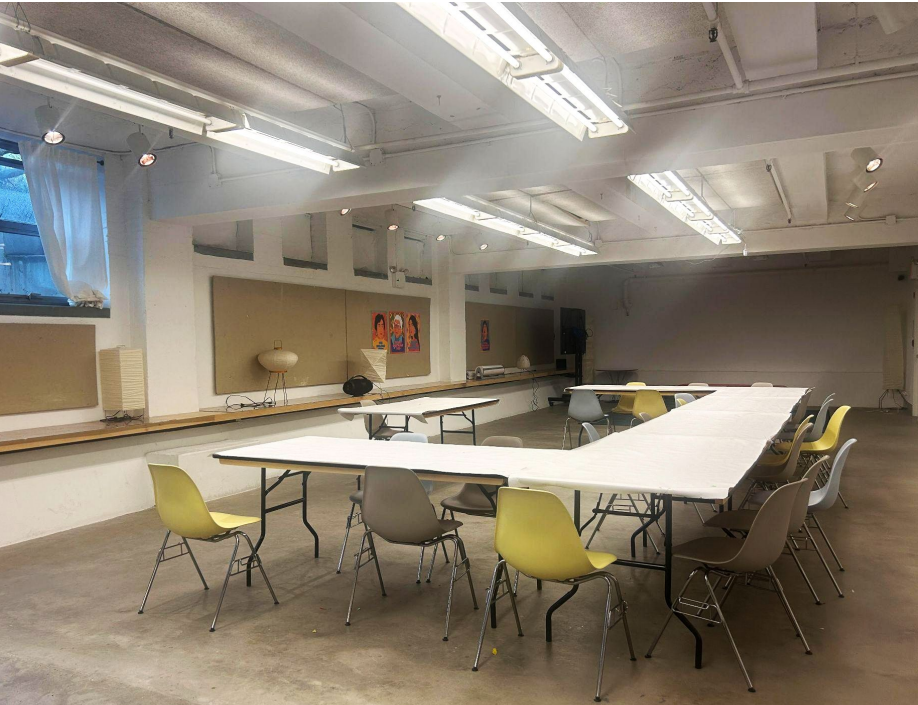

noguchi

If the weather is not nice, I will walk through the Museum's indoor galleries.

The classroom is downstairs. I might visit the classroom to put down my coat. I will get it back before I leave.

To go between the classroom and the Museum galleries, I can take the elevator or the stairs.

noguchi

This is a gallery in
the Museum.

It is a room full of
Isamu Noguchi's
sculptures.

noguchi

I will see art.

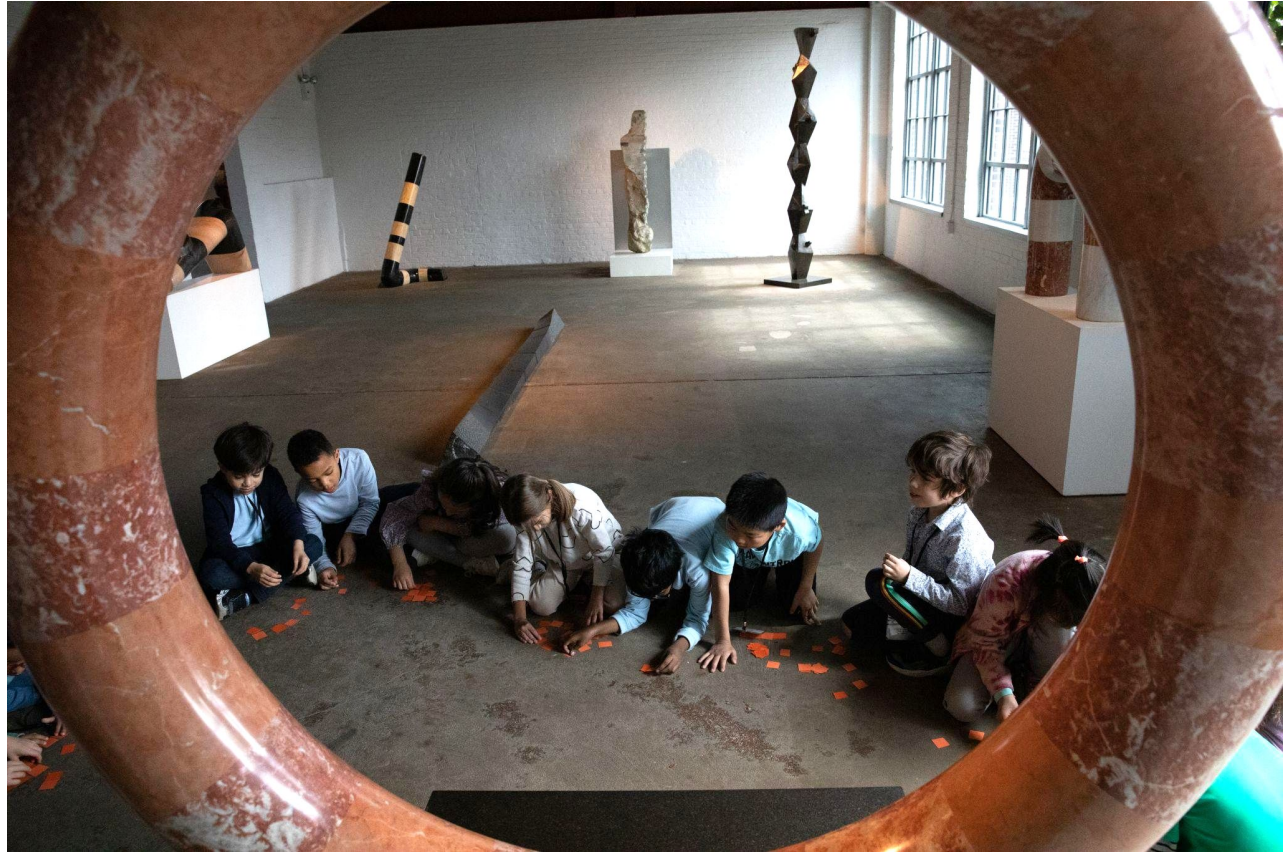

I will use my eyes and not my hands to look at the art.

noguchi

I will learn
about art.

I will make art
in response to
what I learn.

noguchi

There are
bathrooms at
The Noguchi
Museum.

I may see other visitors and people who work at the Museum.

noguchi

My visit will
be fun!
